# **ROMA 4.4.1 – Release Notes**

## **Jan 16, 2021**

# Contents

1. Bug Fixes

3

# 1. Bug Fixes

## What?

We have addressed most critical incidents / bugs to ensure a smooth user experience or make our platform a robust and reliable one. We will be communicating with all clients providing all the details of the bugs that were resolved specific to them as part of 4.4.1 release.

We truly hope you love ROMA 4.4.1 😊

Thank you
